

CATERING DURING THE PLATFORMERS' DAYS

To start a successful day at the trade fair: Coffee supply at the stand spaces

On both days of the trade fair, **coffee will be supplied to all exhibitors** before the official start. Between 8.00 and 9.00 a.m., each exhibitor will be supplied with a 2.2 litre thermo coffee pot as well as portioned milk and sugar, including coffee cups with stir sticks.

If the coffee on the stand space is used up, the additional need for coffee in portions and the basic supply of non-alcoholic drinks in portions (mineral water, apple spritzer, Pepsi, Mirinda, non-alcoholic Pils in 0.33 or 0.5 litre bottles) can be covered by the three catering areas (1x hall area, 1x outdoor area north, 1x outdoor area Atrium). A general „refill“ during the course of the trade fair day is not planned (neither at the stand nor via the three catering areas).
